ARTICLE VI RULES

GENERAL: REGULAR SEASON AND CHAMPIONSHIP MEET

1. **CATEGORIES OF SWIMMERS:** In all events there will be age groups: 6 and under, 7-8, 9-10, 11-12, 13-14, and 15-18. Age as of June 1 will determine the age group of each swimmer for that season.
2. **SWIMMER PARTICIPATION:** Any swimmer may participate in a maximum of three individual events and one relay event per meet. A swimmer will be allowed to swim in a higher age group in individual events at regular season meets only. However, if he/she elects to do so in one individual event, he/she must do so in all individual events. In relay events, swimmers may swim in a higher age group without having to do so in the individual events. At the championship meet, no swimmer may swim up in any event except the Freestyle Relay.
3. **EVENTS:** Meets will be swum in the order of free, breast, back and fly with younger swimmers swimming first. Girls swim first in each event. All swimmers under 9 swim 25 yards in each individual event. Those 9-14 will swim 50 yards in each event. Those 15-18 will swim 100 yards freestyle and 50 yards in all the other events. The relay will consist of one swimmer representing each of the five following age groups: 7-8, 9-10, 11-12, 13-14, 15-18, note refer to Article IV, A # 2. A younger swimmer may swim and represent an older age group but an older swimmer may NOT represent a younger age group. The first two swimmers from 2 of the represented age groups will swim 25 yards; the final three swimmers remaining from the represented age groups will swim 50 yards each. The swimmers may swim in any order regardless of

distance and do not have to swim in the order of the age groups they are representing. There will be a maximum of one official relay team from each club. Individual Medley (IM) (100 yards) may be included for age groups 12 and under, 13-14, and 15-18 on an optional basis (non-scored) provided both coaches agree.

4. **FALSE STARTS:** Any swimmer entering the water or in motion on the starting block prior to the starting signal will be deemed to have false started, unless the starter deems that the swimmer was reacting to another swimmer's false start. Each swimmer will be allowed one free false start before being disqualified from the event.
5. **DISQUALIFICATIONS:** All swimmers are expected to swim the strokes in the proper manner; deviation from stroke, turn or finish will result in disqualification. At the discretion of the respective coaches, any 8 & under swimmer may be designated as "developmental" in Freestyle. Such a swimmer will be eligible for heat winner recognition, but will not count toward event placing nor team scoring. Developmental times may not be used to qualify for the Championship Meet.
6. **RULES:** Except where otherwise specified, the Durham Summer Swim League is governed by the USS rules and Regulations.
7. **SWIM ATTIRE:** Swim suits and caps sporting a non-DSSL team logo are prohibited at both DSSL regular season meets and champs. The DSSL follows US Swimming rules on suits.

REGULAR SEASON MEETS:

1. **EVENTS:** Fastest swimmers must swim in the first heats, according to seed times. There will be unlimited heats in freestyle; in other events, the parent reps must mutually agree to limit the number of heats to three. Developmental heats will be allowed in freestyle only which will be swum at the start of the meet and will be limited to three heats only. No other stroke will have a developmental heat. The schedule of regular season meets will be drawn up by the League directors and approved by the Governing Board. All teams in a division will swim against all other teams in that division. Home team locations will alternate each year. Exceptions to home location must be mutually acceptable to both teams. In order to help ensure that all swimmers have a chance to swim and get a legal time, events will be swum without any breaks in the timeline with the exception of a break before relays.
2. **SCHEDULING:** The schedule of regular season meets will be drawn up by the League directors and approved by the Governing Board. All teams in a division will swim against all other teams in that division. Home team locations shall alternate each year.

Exceptions to home location must be mutually acceptable to both teams.

3. **SATURDAY MEETS:** With membership participation in DSSL, the home team/club for a scheduled Saturday morning meet will NOT impose a hard stop time on the meet and both clubs will complete the meet until completion of relays or inclement weather forces postponement upon which then the Inclement Weather policy needs to be followed.
4. **INCLEMENT WEATHER:** All meets will be swum as scheduled, unless weather or pool conditions force postponement.
 - a. Any postponed meet must be rescheduled and swum within one week of the originally scheduled date.
 - b. In the event of inclement weather at the time of the meet or during the meet, it will be delayed 20 minutes.
 - c. If conditions are still unsafe for swimming, the meet will not resume.
 - d. If two strokes have been completed, the meet will be considered over unless an exception is mutually agreed upon by the Parent Reps of both teams.
 - e. The final score will be the score of the last completed stroke.
 - f. If two strokes have not been completed, the meet will be continued at a time agreed upon by both Parent Representatives, continuing from the last completed event.
 - g. If after one additional attempt to swim the meet, but because of inclement weather, two strokes have not been completed, the meet will be considered a tie and no further attempts to swim will be made.
 - h. All postponed meets are to be held at the scheduled location unless Parent Reps agree to an alternate location. Exceptions may be granted by the League directors.

The DSSL recognizes the inconvenience that delaying or rescheduling a meet may cause. However, the safety of our children must always take precedence over any potential inconvenience. Swim meets will not be cancelled or postponed except by mutual consent of the parent representatives of the teams involved in the meet, EXCEPT in the case of safety issues. All applicable club policies (of the home club), local laws, and state laws must be adhered to in the case of safety issues. This includes those policies addressing the amount of time to keep the pool clear after lightning or thunder and the closing of the pool when rain is so hard that the bottom cannot be seen. In the case where EITHER parent representative feels that continuing the meet is unsafe for anyone

involved, that parent representative may delay or postpone the meet by removing their team from the unsafe situation without any negative consequences.

5. **WARM UP:** Unless agreed upon by mutual consent of the parent representatives of the teams involved, the home team will warm up during the half hour beginning one hour before the starting time of the meet. The visiting team will warm up during the half hour immediately prior to the meet.
6. **SCORING:** Scoring is on a 5-3-1 basis for individual events. Relays are scored 6-3. In the event of a tie, the points for that place and the next lower are added together and evenly divided.
7. **AWARDS:** Ribbons will be awarded for first, second, third, fourth, fifth, and sixth place in individual events. All members of first and second place relay teams receive ribbons. Upon completion of all regular season meets, the League will award a trophy to all teams specifying order of finish based on win-lose record against teams within the same division. Scoring will be 2 points for win, 1 point for tie, and 0 points for loss.
8. **HOME AND VISITING TEAM RESPONSIBILITIES:** The home and visiting teams shall provide workers and equipment as outlined in the DSSL Parent Rep Handbook. The head coaches and all participating swimmers in the teams shall be restricted from performing in any of these official capacities with the single exception of runners. Exceptions can be made to this rule with the express agreement of the opposing team Parent Representative. **Workers are prohibited from consuming alcoholic beverages while performing their official duties. If the League is notified of such behavior, that worker will be banned from working for a period no less than one year.**
9. **RESULTS REPORTING:** All results, including names of triple winners must be emailed or sent via text to the Public Relations Chair by the home team immediately following the meet.
10. **SPORTSMANSHIP:**
 - a) Any participant of the Durham Summer Swim League shall not engage in un-sportsmanlike conduct.
 - b) "Unsportsmanlike conduct" includes the taunting of swimmers, coaches, and meet officials, and any other conduct that adversely affects the traditional spirit of fair competition, including a swimmer's refusal to give his or her name,

coach's name and team affiliation when a meet official asks for this information.

- c). "Unsportsmanlike conduct" will also include any device that disrupts or interferes with the meet or swimmer such as laser pointing devices and artificial noisemakers including but not limited to whistles, cowbells, kazoos, drums, etc. These devices may not be used once a meet starts.
- d) If a meet official detects un-sportsmanlike conduct, the offender will be confronted and asked to refrain from such behavior and the parent representative will be notified. If the behavior persists, the offender will be asked to leave the immediate area of the swim meet. Representatives from the team in question will be notified.
- e) The swimmer may be permitted to return for later events, if the swimmer assures the meet official that the swimmer will refrain from further unsportsmanlike conduct.

CHAMPIONSHIP MEET:

1. **EVENTS:** Fastest swimmers will swim in the last heats. There will be unlimited heats in all events.
2. **SCHEDULING:** The date for the Championship Meet will be established by the League Directors and approved by the Governing Board.
3. **SCORING:** Scoring will be on a league basis. There will be 20 places scored in each event, excluding relays: 24,21,20,19,18,17, 16,15,14,13,11,9,8,7,6,5,4,3,2,1. Twelve relays will score: 48,42, 40,38,36,34,32,30,28,26,22,18. Official times for championships will be determined by the primary timing system (official pad times) when pads are working appropriately and the times are confirmed by one or more buttons or stopwatches unless a comparison of the primary and secondary times indicates a malfunction of the primary system. In the event a primary timing system malfunction may have occurred (i.e. the difference between the primary system and the backup system is approximately 0.30 seconds or greater; or the reported swimmer missed the touchpad or had a soft touch; or order of finish is reported as different), official times will be determined using USA Swimming Rules for determining an official time. All league records shall be reported as the official pad time when the pad is functioning correctly and at least one backup time supports the pad.
4. **SEEDING:** Representatives from each club will attend the seed meeting for the Championship meet, at a time determined by the DSSL Statistician. Swimmers will be seeded by the time and without regard to the swimmer's team or division. Times for the seeding will be taken

from a current season league meet. Times must be used from standard 25-yard pool or converted using the formula listed in the Parent Representative Handbook for pools that are not 25 yards in length. It is the parent rep's responsibility to provide the time swum and the converted time for verification purposes. There will be no NT (no time) or DQ (disqualified) entries in the championship meet. Once the seeding has been done, changes or substitutions may be allowed at a fee set by the Championship Committee, and at the discretion of the League Statistician. An accurate list of scratches composed of the events in which they were entered must be turned in to the clerk of course at least one hour before the start of the Championship Meet to avoid a penalty as set forth by the Championship Committee.

5. **AWARDS:** Individual awards will be made without regard to the swimmer's division. Medals will be awarded for places 1-3 in all events. Ribbons will be awarded to places 4-20 in all individual events and to places 4-12 in relays. Heat ribbons will be provided to the winning swimmer in each heat for all individual events. Participation ribbons will be available for all swimmers. The league will award trophies to the top two teams in each division with the greatest number of team points.
6. **RESULTS:** The results of the championship meet (score sheets and times for all swimmers) will be available electronically for each club and league directors within 14 days of the Championship Meet.

WORKERS ARE PROHIBITED FROM CONSUMING ALCOHOLIC BEVERAGES WHILE THEY ARE PERFORMING THEIR OFFICIAL DUTIES.
